Address: 19000 Leslie Street

Join EG's organized cleanup on April 18 at the Civic Centre from 11 a.m. to 2 p.m. or pick up a cleanup kit to host your own event at a time and location that works for you. Cleanup kits (gloves, bags and stickers) are available,

Organize Your Cleanup Event

Residents, families, schools, and community groups are encouraged to organize a cleanup at a time and location that works best for them. To register a cleanup, participants simply email the Environmental Initiatives team with: name, number of cleanup kits required, proposed cleanup date, time, and location, and after the event, the location where the collected waste bags were placed for pickup.

The Town provides cleanup kits containing gloves, garbage bags, and cleanup stickers. Kits may be picked up at Customer Service at the Civic Centre, Monday to Friday, from 8:30 a.m. to 4:30 p.m.

Upon request, groups may also borrow, at no cost, additional materials to support their cleanup efforts, including event signage, post-event litter-prevention signs, high-visibility vests, and litter-pickup tools.

The Art of Upcycling Workshop

Date and Time: Saturday, April 25 1:30 pm - 4:00 pm

Address: 160 Jim Mortson Drive

Join East Gwillimbury and the EG Public Library on April 25 for The Art of Upcycling Workshop! Residents and their families are invited to take part in The Art of Upcycling, a fun, hands-on workshop led by a local EG artist. Participants of all ages will learn how everyday items that might otherwise end up in the garbage can be transformed into creative crafts and simple works of art.

Bring clean reusable items from home and turn everyday materials into unique art projects using provided supplies, such as glass bottles, plastic containers, fabric scraps, lids, and other similar materials to use in their creations. Basic art supplies—including paint, glue, and paper will be provided to help bring ideas to life.

The artist will guide participants through easy, imaginative projects while sharing tips on reuse and creativity. This interactive workshop encourages residents to explore sustainable choices, work together, and see waste in a new way, proving that when you love it and upgrade it, you can turn everyday items into something fun, meaningful, and unique.
